Würth Elektronik IBE BG EOOD in collaboration with **Bedor EXCEM** completed a project of reorganization of management processes and methods in all areas of our company (Production planning, Production, Technical department, Warehouses & Logistics and Quality Control) as well as conducting training to develop the management skills of the Management Team, achieving excellent results in increasing productivity and improving the quality of work at all levels.

As part of the project deliverables was a robust performance monitoring system which will ensure sustainability of the results in the future

Furthermore, the methodology employed by **Bedor EXCEM** was well accepted by the staff as a whole.

Satisfied with the work performed, **Würth Elektronik IBE BG EOOD** considers and highly recommends **Bedor EXCEM** as preferred management consultants in the areas intervened.

With our best compliments, I remain,
Sincerely yours,

Zlatan Kitanov
General Manager
